**Project 2:** Compatibility Testing.

**Application name:** JUST HERBS.

**Platform:** windows 8.1

**Browsers:** Chrome, Mozilla, Internet Explorer.

**Defects:** Alignment issues, Review issues, Dropdown issues, Missing Contents, Object overlapping.

## Academic Project

**Project title:** "Vehicle Theft Detection Using GSM and GPS".

**Project description:** In this project we provide the security to the vehicle. Vehicle tracking and locking system is installed in the vehicle, to track the place and locking engine motor. The place of the vehicle is identified using the GPS and GSM. When the theft is identified, the responsible person sends the SMS to the microcontroller, then microcontroller issues the control signals to stop the engine motor. Authorized person needs to send the password to controller to restart the vehicle.
